WORK EXPERIENCE

University of Texas at Austin Austin, TX
Clinical Study Coordinator Nov 2023 – Present

- Took a 100 page NIH Grant to design the implementation of a 5-year long study, creating 10+ SOPs.
- Use R to create quarterly data reports to present to key stakeholders (NIH & DSMB) to maintain consistent project funding.
- Hired, trained, and daily management of a team of 8 research staff to successfully collect data & interact with patients.

Massachusetts Higher-Education Consortium Remote
Project Manager, Consultant Dec 2024 – May 2025

- Analyzed spend data from client's member & vendor database to create a recommendation guide on how to diversify spend.
- Drafted a supplier diversity program roadmap, including program foundations and pilot projects.

Palo Alto Networks Santa Clara, CA
Inclusive Recruitment Intern May 2022 – Aug 2022

- Collaborated closely with inclusive hiring team such as sourcers, recruiters, and managers, to increase community engagement at hiring booths.
- Developed close relationships with leaders of ERGs to create an HR-approved inclusive hiring guide.

Gender Equity Resource Center Berkeley, CA
Graduate Student Resources Assistant Jan 2022 – May 2023

- Led a resource database development project by assessing various database subscription options for use case and price.
- Audited campus LGBTQ+ policies to ensure compliance and report to third party institutions.
